As we kick off 2021, the song by REO Speedwagon comes to mind... *Roll with the changes...*

Our first meeting of the year was well attended, with some new members in attendance. We also held our first women's event and have ideas for future events. Stay tuned!

SIMONE'S

Pittsburgh, PA 15228

I believe food is the medicine that fuels our body and souls. It brings all of us together. I was raised in the food industry; from growing up in my parent's restaurants, to operating my own small businesses, my ultimate dream was to run Simone's. I want to bring good, quality food with some new and different ideas to breakfast. Simone's is a quaint location offering warm, hearty, and healthy options. Being a proud Pittsburgher (born and raised), I'm excited to join forces with local food vendors providing a standard of quality you're sure to notice.

We are happy to serve you. Stop in and let us be your friendly neighborhood spot.

We're BYOB!
