Meet the Board

Check in each month as we feature two of our board members.

Bill Engle

Bill Engel is Director of Sales at Friendship Village of South Hills, a Life Care community that has been enriching the lives of seniors for over 36 years. Friendship Village specializes in independent, residential living that also offers a full continuum of care including assisted living, memory care and skilled nursing care. Friendship Village is situated on 73 beautiful acres in Upper St. Clair - adjacent to the Chamber's new office. We are delighted to announce that we have completed "Round Two" of the COVID 19 vaccine for all of our residents and team members on

February 26th!

Bill grew up in Whitehall and went to Penn State obtaining a degree in Hotel and Restaurant Administration, having spent the early part of his career in the restaurant industry before transitioning into hotel sales and marketing.

Bill has been a South Hills Chamber of Commerce member for over 7 years and has served on the Board for 5 years. He has found his membership to be helpful and rewarding both personally and professionally. He's looking forward to seeing everyone at upcoming in-person events!

Bill lives in Bethel with his wife and two high-school-aged daughters, the oldest of which will start her freshman year at Penn State this fall!

Chris Conroy

Chris Conroy owns and operates GEICO South Hills

with his wife Monica. Monica is the appointed agent and face of the business. Chris graduated from Pennsylvania State University with a degree in finance.

Before opening the Local GEICO office, he worked at GEICO for 12 years where he started in the Controller department building the P&L statement and progressed to become Agency Operations Manager for the entire USA.

Chris and Monica have one son, Caden, who will be four years old in May. One thing Chris is looking forward to is taking Caden to his first PSU football game this fall. The most common question Chris gets when he meets new people is, "How old are you?" It's not his fault he can still pass for a newly graduated PSU student.

In all seriousness, Chris and Monica are very hardworking small business owners who want the best for their family and community. They have embraced Pittsburgh as their forever home and look forward to the joys of raising their family here. Chris loves to spend time with family, travel, and snowboard. He also enjoys speaking with other small business owners to gain insight and help in any way he can.
