First Breakfast Meeting of the Year

What a day! 40+ business professionals gathered for a unique speed networking event. Each was given just over a minute to tell their story. Being the networking experts that they are, many finished with time to spare -- and with a healthy dose of humor! We had lunch, a packed table of marketing materials, and plenty of time for people to talk individually following the quick introductions. So many connections were made! And Kelly was an outstanding host of The Whitehall House.

Thank you, everyone, for a successful event and all of the compliments. It is why the Chamber exists!

New Member Meeting

On Tuesday morning, February 25, some of our newest members gathered in the business of new member, Chris Hitchens, Three Treasures. Chris treated us to breakfast sandwiches, beverages, and a tour of his new studio for yoga, tai chi, and meditation.

He's offering some specials, but for a very short time. Check out his studio:
