

Special Announcement - new Executive Director Named

As President of the Board of the South Hills Chamber of Commerce, I am pleased to announce that Sydnee Bagovich has been named the new Executive Director of the Chamber. She steps into this role, after serving as Assistant Director, since August of 2019. She replaces Tanya Bashor, who leaves a fine legacy of growing the Chamber membership and making many exciting changes. Tanya has moved on to continue her work with the BankWork\$ program full time.

Thank you, Tanya, for your dedication and all that you have done for the Chamber. We wish you well with BankWork\$!

Welcome, Sydnee, and best to you in continuing the progress with the Chamber and creating your own legacy!

*-Gary Heckel
President*
