

# December Newsletter

Slowly making our way back! Thank you so much to all of you who have asked about the Chamber, saying that you miss getting together. Yeah, we all miss that, and we are planning in-person events with appropriate safety measures and are optimistically looking to plan in-person events for the summer.

We also have our next virtual members' meeting scheduled. See below for details.

## A Warm Welcome to our New Members

### Welcome, Ryan Lynch and OsteoStrong!

*Ryan believes in the limitless power of the human body. An avid runner hampered by injuries in his early 30s, he couldn't accept that "this is just what happens when you get older". Thanks to his mother Dianne, he was introduced to OsteoStrong. This breakthrough technology was so effective in strengthening the bones, muscles and joints of thousands around the world that he left his job in a financial services technology company to run the first OsteoStrong franchise in Pittsburgh. Now, two years later, he and his team are on a mission to reshape how we view healthcare in America.*

## Notes from our First Board Meeting

The new Board of Directors met on December 1<sup>st</sup> and began putting together a number of new initiatives aimed at increasing member interaction and building value to membership in the Chamber. While COVID is still a limiting factor for in-person events, for 2020 a Women's business lunch will be established, there will be continued monthly zoom meetings, a QuickBooks training session via Zoom is planned, as well as in-person events including a wine fundraiser and a blood drive in conjunction with the Washington City Mission. With a positive outlook on 2020, in-person events such as a "happy evening" at Top Golf, Goofy Golf Tournament, and a potential car cruise event were discussed for the summer, to the extent any remaining COVID restrictions permit. A private Facebook group for Chamber Members will be established to allow members to have a place to discuss/seek input on business issues, network, post available jobs, and be updated on the latest Chamber news. The board also discussed adding a video library of all the member benefit and educational presentations to members, as well as a virtual trade fair where each member could showcase their business in a short video.

Should you have any suggestions for the Board, always feel free to send an e-mail to the Board President, John Biedrzycki: [john@steelcitylawyer.com](mailto:john@steelcitylawyer.com)

**Our next virtual meeting via Zoom will be on Tuesday, December 15, at 10am. We will have special guest, Craig Pritts, from Chamber Choice to discuss this Chamber benefit.**
