Welcome to May - warmer weather, and our world opening up just a bit...

Highlights from April

First In-Person Event of the Year!

We did it! The Chamber women got together for a fun night in our new offices. Casual talk about life instead of business, finding our common ground, and coming up with some interesting ideas for future events.

Oh, you just wait!

April PowerHour

Representatives from iCheckGateway presented a program for secure payment processing -- an important feature for businesses. The Chamber is working to put this into place for payment options for events, sponsorship, and membership renewals. One of our favorite features is the ability to generate invoices and send via email or text.

April Monthly Meeting

Chamber member, Barb Johnson, owner of More Than Words in Carnegie, conducted an informative and interactive discussion about the relevance of snail mail in a digital age. [Check it out here](#), and on our Facebook page.

Meet the Board

Check in each month as we feature our board members.

Karen Naponic, Board Secretary

Karen is a Personal Banker for Northwest Bank. Northwest Bank is a full-service bank that offers everything from checking accounts to loans and financial services. Northwest values giving back to the community and has close ties with the school districts in our community.

Karen has 23 years of banking experience. "The best part of my job is meeting people!!! I love finding

out about my customers -- and trying to meet their needs and help them to achieve their financial goals."

Karen also works part time at Macy's selling jewelry. She especially loves helping men pick the right piece of jewelry for any special occasion. She is not a huge fan of lockets and will try and steer men away from them!

Karen lives in Mt Lebanon with her husband Jeff and has two children. In her spare time, you'll find her catching up with friends, reading a good book, and relaxing with needlepoint.
