I have been in the beauty industry for 15 years. Opening my own salon has been a dream of mine since I started in this career. I have experience in all hair types, and I have worked with women, men, and children of all ages. I try to create a clean and comfortable environment in my salon. I want everyone to feel welcome. It costs \$0 to make someone happy and feel good about themselves -- and that's my favorite part of my job. I strive to provide quality hair services while keeping costs down for my clients. I would never want to own a salon that I myself could not afford.

Most importantly, I am a mother of a little girl and wife of a Navy veteran. I am family first, and I am so thankful that my career has blessed me to keep it that way.

- Building teams through second chair development

We believe in small businesses and even more so in providing an exceptional service that showcases your work in a remarkable way.

## Meet the Board

Check in each month as we feature our board members.

### Erin Joyce, Board Vice President

*Erin oversees the Community Outreach and Engagement department at AHN Jefferson Hospital. She joined the South Hills Chamber in September 2019 and is currently serving as vice president on the executive board. One of her favorite things about both her job and position with the chamber is how many wonderful people she gets to meet, engage and work together with.*

*Erin was born and raised in South Park where she currently resides with her husband, two dogs, and a brand new puppy. She has a daughter, two step-daughters, a three-year-old granddaughter and a second granddaughter due in early August.*

*Erin also celebrated a journey-through-life milestone just last week ~ she turned the big 5-0! "I've loved every moment so far and can't wait to see what's in store for my next 50 years! But, I don't plan on growing up any time soon, I love to have fun way too much!"*

*In her spare time, Erin loves being together with her whole family as well as her many friends (who are also family to her) sharing a fabulous meal in or out, relaxing by a fire, camping,*

*vacationing at the beach, trips to the lake, a good drama or detective series to binge watch, coloring, swinging, painting and jumping on the trampoline. She'll let you guess which ones she does with her granddaughter!*
