## Highlights from June

### Monthly Meeting at The Chamber Offices

*If you missed this one, you missed a lot! Our surprise speaker for the July monthly meeting was board president, John Biedrzycki, who talked about personal car insurance. Who knew that it could be so informative, engaging, and entertaining?? Well, we found out! John shared facts, like that the cost of a life flight--just to dispatch the chopper--is \$20,500! Pretty important when considering your coverage. He reviewed a car insurance declarations page with a whole lot of insight, surely decisions many of us made years ago without fully understanding the impact.*

We're always looking to showcase our members and their businesses. If you're a member who would like to host an upcoming meeting, let us know.

## PowerHour

*This month we met at Mediterra, where Craig Rosetti talked with us about relevant tax issues, especially now that so many of us are working from home. Sorry no pictures to share. Our photos didn't come out well.*

## Ribbon Cutting at South Hills Square Retirement Resort

*A spectacular day for a ribbon cutting! Welcome, Glenna and Greg Foster, as the newest member of the South Hills Chamber! Thank you for such a spectacular event. We just might have to return for an event...*

## Chamber Cheers Mixer

*We were invited to join the South West Communities and East Liberty Chambers for an evening of food, wine, and meeting people. Thank you, Mandi, for the invite and opportunity!*
